

HabiSnacks

York Habitat relies on Volunteers to keep our homes affordable, providing food is a way to keep them energized while working hard!

We ask that all food is individually wrapped or packaged, allowing for easy distribution and clean up!

If you choose to make something that would contain some sort of allergen (i.e. nuts), please let us know!

Some suggestions, but not limited to:

- Bottled Water
- Granola Bars
- Fruit
- Individual bags of chips/pretzels
- Gatorade/Powerade
- Deli Sandwiches
