

BE A PART OF HISTORY

It's hard to believe that we have been serving York County citizens since 1985 by providing access to safe, affordable homes through our homeownership program. To date, we've built/rehabbed 138 homes for over 650 men, women, and children in York County with the help of our dedicated donors and volunteers.

Even with this great success, we still want to do more for the low income residents of York County. We understand that housing equity is decreasing while the cost of homes is rising and that stagnant wages can't keep up with the cost of living. Over the last four years, we have undergone a strategic transformation that has positioned us to do more for our community and do it better than ever before. The journey hasn't been easy, but it has certainly been worth the wait to be where we are today - ready to activate our strategic vision.

FUTURE

WE NEED YOUR SUPPORT!

The **Chestnut Street Revitalization Project** is the realization of that vision. It will produce 14 new homes on a lot that has sat vacant since being destroyed by a fire in 2009. Several of the homes will be ADA accessible to provide families with disabilities the opportunity for safe and affordable housing. This multi-phased project will provide homeownership preservation services, including critical home repairs and aging-in-place services for dozens of existing homeowners in the neighborhood. The first four homes are already well under construction and qualified future homeowners for half of the homes have been approved. Current homeowners in the neighborhood are being surveyed so we can assess and address their specific needs. We are excited to touch the community in many different ways with our largest project in our 34-year history!

At York Habitat for Humanity, we are committed to transforming and strengthening York County neighborhoods. I invite you to be a part of this project by making a contribution to help fund the next phase of our revitalization movement. **We can't do it without your help!** Your investment will have a lasting impact and many lives will be changed forever. Thank you for your continued dedication to supporting our mission of providing safe, decent, and affordable housing for all!

Visit yorkhabitat.org to learn more and to make your secure online gift of support.

We invite you to be a part of history!

Thank you!

Tammi Morris
