

## HabiTeams: *Team Building Through Home Building*

Is your organization seeking unique team-building opportunities that also give back to the community? York Habitat for Humanity (YHFH) has the solution, and we invite you to experience HabiTeam. Expect to leave feeling fulfilled, engaged, and connected with your team members and community.

**“The team-building activity was a good touch and**

**beneficial in assisting interaction with one another. It was a great learning experience, a great cause, and I believe a win-win for all parties.”** – George Kimbrow, PA Health & Wellness

Research has shown that employees prefer to work for companies investing in making a positive difference. Volunteering in the community is one way to promote this culture. Let us at YHFH craft a memorable experience for your team as you spend the day working together to build a safe and affordable home in the local community.

## **Benefits to corporate volunteering with York Habitat for Humanity through HabiTeam:**

- Engage with your employees personally outside of work, leaving titles behind in the office for the day.
- Make a difference by working on projects that build a brighter, secure future for our neighbors
- Develop a stronger connection with the local community
- Create lasting memories alongside your co-workers

## HabiTeams

What should I expect from a HabiTeam day?

- 8-15 individuals volunteer and team build from 8:00 a.m. to 2:30 p.m. at a YHFH build site.
- Each volunteer will receive a T-shirt.
- A team picture will be provided for use on social media and displayed on YHFH social media sites.
- On-site training will be provided, including a safety orientation
- A fun team-building exercise in the morning
- Light breakfast and lunch provided
- During lunch, volunteers will learn about the YHFH program and hear a testimony from one of our families. We also encourage all volunteers to share with us about their company and what they do.
- Expect to leave feeling fulfilled, engaged with the community, and a bit tired from making a positive, tangible impact on the community.

HabiTeam Companies are asked to donate \$200 per volunteer.

## General Group Volunteering

If HabiTeam does not sound like the right fit for your organization, our general group volunteer opportunities offer a different option.

What should I expect from a Group Volunteer Day?

- 4-10 individuals volunteer and team build from 8:00 am – 2:30 pm at a YHFH build site.
- A team picture will be provided for use on social media and displayed on YHFH social media sites.
- A brief orientation that will include an overview of the YHFH program and a safety talk
- Expect to leave feeling fulfilled, engaged with the community, and a bit tired from making a positive, tangible impact on the community.

If you are interested in providing this volunteer experience to your employees, please contact YHFH's Volunteer Manager, Isabell Clark ([isabell@yorkhabitat.org](mailto:isabell@yorkhabitat.org))
